

VASELINE* CONSTANT CARE* Skin Care Products

Features:

- Cleansing Lotion.
- Conditioning Cream.
- Moisture Barrier Salve.

This complete line of skin care creams and lotions demonstrates a commitment to protecting the integrity of patients' skin as the number one line of defense against infection. Each of these products are indicated for effective management of special skin problems and are appropriate for use on eroded or denuded areas, as an effective means of incontinence protection and to assist in the prevention of skin breakdown.
